

LEO GRILL

UI, WEB & MOTION
DESIGNER

As a German-South African, I am passionate about digital design, especially video production and 3D design. I find inspiration in stories—from books to films and video games. Whether I am reading, writing, or designing, I love exploring new ways to tell stories that resonate.

EXPERIENCE

UI Designer & Content Marketer

[FiveWest OTC Desk](#)

Sep 2021 - Mar 2022

I worked full-time at a licensed Financial Services Provider, where I focused on redesigning their website and fintech platform. During my tenure, I was solely responsible for creating all content for the company's LinkedIn and YouTube channels, in addition to corporate presentations, documents, and other materials.
